TERMS, CONDITIONS, & INFORMATION

WE WANT YOUR BUSINESS!!!

We have more of the items you need on a day-to-day basis than anyone. If you don't find it in this catalog, and it has something to do with selling cars and trucks, we probably have it, or can get it for you.

Our customers are very important to us. We will see to it that you are completely satisfied with both our products and service. If you have a problem with either, let us know and we will try to make it right.

We want to be your one stop shop for all your supplies. If you are buying something we sell from someone else, we want to know what it will take to get your business.

- We accept Visa & Master Card for your convenience.
- All orders, for stock merchandise, called in by 3:00 P.M. Central time will ship the same day.
- We charge applicable shipping charges for all orders shipped.
- All custom orders are final.
- Custom orders may require a deposit or prepayment.
- Advertising specialties and other custom imprinted items are subject to a 5-10% over or under run - You will be charged for the actual number of pieces you receive.
- Prices are subject to change without notice. We will try to honor the prices in this catalog until the next catalog is printed, however, circumstances beyond our control, sometimes dictate that we raise prices. If the price has gone up, you will be notified prior to shipping. We do lower prices too!!

Visit our website (www.godistributors.net) for monthly specials, new products, and updated pricing.

K&K JUMP-N-CARRY PORTABLE JUMP STARTER

- Made in U.S.A.
- Only 18 pounds
- 400 cold cranking amps
- 1100 peak amps
- Built in charger never gets lost

- Plugs in to any extension cord to recharge
- Volt gauge shows battery status
- Sealed battery allows unit to be stored and used in any position

\$129.00

WHY DO WE SELL THIS UNIT WHEN THERE ARE CHEAPER ONES AVAILABLE?

It's because the others are just that - (cheap). They are made to be used in an emergency.

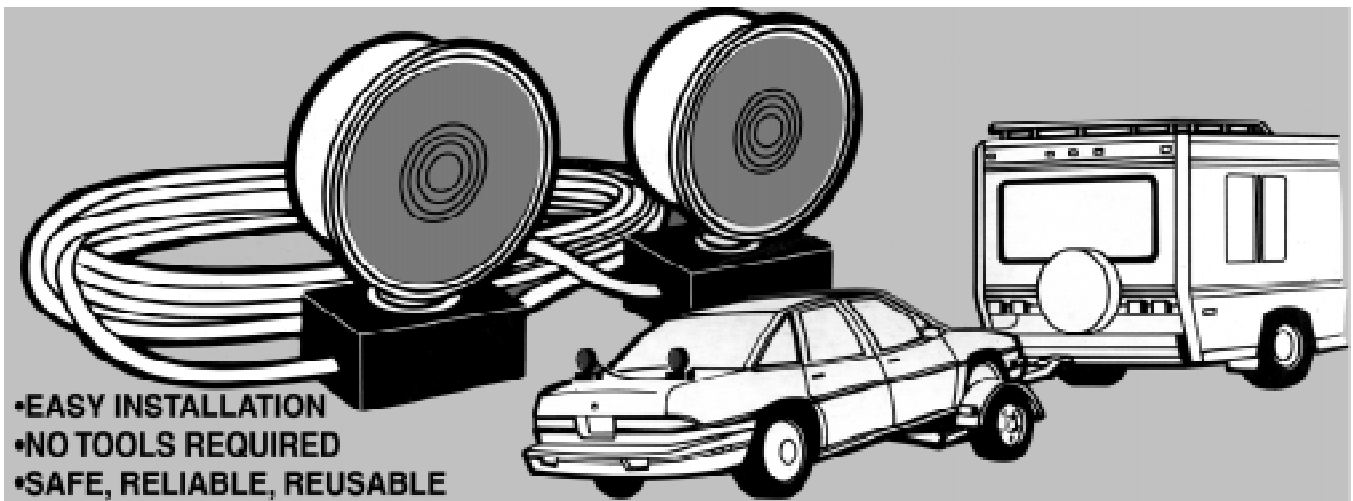

The K&K units are made to withstand frequent professional use. We have sold many of these units to car auctions, and they can take the pressure and keep on performing.

The K&K units come with the best warranty in the business. Most warranties aren't worth the paper they are printed on, but on the few occasions our customers have had a problem, K&K has always done our customers right.
